The shirt, 80% cotton 20% polyester, the collar is 95% cotton 5% spandex,

Satisfaction in playable comfort and wearability?

We're estimating 100%.

## TIKI VIBES

Nothing says 19th hole better than a Mai Tai. Sun setting on a well-played afternoon. Cool breeze infused with the warm smoke of a fresh cigar. Is this heaven or am I in Tahiti?

Handmade finish, crafted of dishwasher safe ceramic. Like us, no two are identical but perfectly matched so you can share the moment with friends. 10" tall/20oz.

### What to serve?

**The Drop Bear Mac One Rum Mai Tai**, of course! See our exclusive recipe featuring macadamia orgeat (as featured in *cityratsf.com*)!

DB Tiki Mug

## Drop Bear Mac One Rum Mai Tai

60ml | 2oz rum\*  
15ml | 1/2oz Cointreau  
22ml | 3/4oz macadamia orgeat  
30ml | 1oz fresh lime juice  
*(preferably from a lime not a bottle.)*

In a shaker filled with crushed ice, pour the ingredients and shake.

Pour from the shaker to your favorite tiki style mug. *Yes, it makes a difference!*

Top with crushed ice, garnish with lime wheel and fresh mint.

\* About the rum... a Mai Tai is historically a 2-3 rum drink—a time-honored concoction of select blends that embody the tiki heritage. So why one rum in ours? Just keeping it simple—that's part of the mai tai's charm.

Depending on your preferred profile, go with a blend of light white rum (subtle, fruity flavor), a dark, aged rum (for a complex, smoky note) and/or a Jamaican pot still rum floater for "funkiness." Experiment. Take notes. Compare.

Drink responsibly.
